Upcoming March monthly event: bowling, date TBD

4.3 INTERNSHIP FEEDBACK

Kate asked for feedback over the summer on how interns effect campus and student life.

4.4 DORM FEEDBACK

Feedback on the dorms was requested, the following feedback was given. It has been anonymized:

Senator: Power and internet flicker, cooking is difficult, no dish washer, issues with bugs and birds

Senator: ventilation mold issues

Senator: Dehumidifiers might be a solution

Exec Board member: Fire alarms don't actually notify anyone

Exec Board Member: No pet policy, monthly dorm inspections are an invasion of privacy, feelings of never leaving campus

Exec Board Member: Alcohol Policy is a problem

Senator: AC is a problem. More storage in bathroom is needed

4.5 CAREER SERVICES/MENTAL HEALTHCARE FEEDBACK

Feedback on the needs of students with regards to these student services was requested, the following feedback was given. It has been anonymized:

Exec. Board Member: There is a need for a therapist to come to campus. There is probably a need for a career services rep. to come to campus

Student: All resources need to be focused on grad students. Generic advice for undergrads is not sufficient.
